

Over Doctor's Surgery New extension and re- furbishment works

PROJECT UPDATE

To all Over Doctor's Surgery staff and patients,

We are now into the fifteenth week of our works here in Over. As the programme progresses, we hope you will notice and benefit from the additions and alterations we have been challenged with to deliver to your surgery.

After the last couple of week's on site, you will have hopefully noticed we have achieved the following:

- Load bearing walls are under construction**
- Completed the block and beam floor installation**
- Installed insulation and ground floor screed**
- Erected scaffolding 1st lift**

Over the next couple of weeks, our focus will be on:

- Complete blockwork construction up to roof level**
- Remove old waiting room door and window/block up**
- Erect scaffolding 2nd lift**
- Commenced roof timber installation**

If you have any concerns or questions about the works we are carrying out please contact one of our site management team and we will be more than happy to answer and resolve your queries. Finally we would like to thank you for your patience and cooperation during our time here, it is greatly appreciated.
